

Position Title: Mechanical Engineer — MEP Design

Location: Ithaca, New York.

Taitem Engineering has an opportunity for an engineer with expertise in energy-efficient HVAC design and with knowledge of electrical systems. The successful candidate will work in Taitem's thriving Design Department, focusing on HVAC and electrical design for both new and existing buildings, and will also contribute to other design projects, as part of our MEP+S team.

Taitem is a progressive consulting firm based in beautiful Ithaca, New York. Founded in 1989, Taitem was recently named one of Central New York's best places to work by CNY Business Journal. Taitem is a mission-driven B-Corporation, committed to the "triple bottom line" of people, planet, and profit. Taitem is known for its high-quality work in designing and supporting sustainable, high-performing buildings. "Taitem" stands for "technology as if the earth mattered," reflecting the firm's commitment to the environment. Flexible schedules, family-friendly policies, and support for excellence make Taitem a life-sustaining place to work.

Required Skills and Qualifications:

- Proficiency in AutoDesk Revit and AutoCAD
- Experience working independently on complex projects
- Engineering degree
- Five years in a comparable position
- Demonstrated ability to manage projects
- Ability and willingness to mentor junior engineers
- Strong knowledge of building codes, esp. for New York State
- Ability to communicate clearly and expertly with peers and clients

Additional Skills and Qualifications:

- New York Professional Engineer license or eligibility
- Knowledge of mechanical and electrical design for buildings
- Experience with energy-efficient technologies and sustainable design principles

Compensation: The recruiting range for this position is competitive and depends on the skills and experience of the applicant. This is a full-time benefits-eligible position. Benefits include medical and dental insurance, paid time off, professional development funds, and an employee assistance program.

Please submit your resume and letter of interest at <https://www.fitzii.com/apply/39168?s=fc> .

Taitem Engineering is committed to creating a diverse workplace and encourages applications from women and people of color.
